Description 5-1/2" Turntables

Material: Clear Styrene

Redesigned: Center and small pivot point has been removed and replaced with large pivot bearing for a smoother, quiet turning, that increases the strength of the turntable.

One half the weight saves on freight charges! The 4-1/4" or 5-1/2" turntables fit inside the 8-1/2" turntable for compact storage.

Sizes: 5-1/2" Dia. (O.D.) x 9/16" H x 2-3/4" Dia. (I.D.)

Weight Limit: 80+ LBS - [Note: Other companies with equal size plastic turntables can only handle up to 12 lbs.](#)

ABC Plastics, Inc. is the Original Designer & Manufacturer of the Open Center

Turntable
