Description
Door Catch

Material: Clear Polycarbonate.

Improved Spring Action: Now bridging completely across sections. Ten times stronger than old design! Reduced snapping pressure for easy opening and closing.

Time Saving: Completely eliminates the need for metal or magnetic catches.

Size Assembled: 1-5/16" L x 5/8" H (33 mm x 15 mm)

ABC Plastics, Inc. is the Original Designer & Manufacturer of the Door Catch

Units in box: 1
