Description

Double-Sided Paper Tape

Material: Double-sided paper tape

Adhesive Strength: Extremely strong tape for holding parts while machining, cutting, routing, and jointing.

Time Saving: Eliminates the need for clamps or hold-downs. Leaves no residue after removing tape from part.

Save Money: Reuse same tape time and time again for production jobs. Large roll = 36 yards.

Size: 3/4" W x 36 yards (19 mm x32.918 m)

Thickness: .007" (.178 mm)

Units in box: 1
